AUDITOR'S SOLVENCY CERTIFICATE

We, BROWN AND FERGUSON INC, do hereby certify that we are the auditors of

PATTERN MATCHED TECHNOLOGIES (PTY) LTD – 2005/013612/07

and that to the best of our knowledge and belief, the company is trading, is solvent and registered in the records of the Companies and Intellectual Property Commission.

We further confirm that according to our records the above Company has no external loans and has remained solvent for the past 3 Financial Years. Solvency ratios for the past 3 years are as follows:

	Based on Management Accounts as at 31 October 2024	AFS 2024	AFS 2023	AFS 2022
Solvency expressed as a percentage	*78.02%	91.57%	71.59%	121.05%

- * The management accounts included an amount of R2 140 700 received in advance which does affect the solvency ratio negatively. If we exclude this liability the solvency ratio would have been 81.34%
